GOVERNMENT OF TAMIL NADU
DISASTER RESPONSE AND RELIEF COMMAND CENTER, CHENNAI

SITUATION ASSESSMENT & RESPONSE REPORT

Scope: All Chennai Region | Generated on: 31-Aug-2026 10:06 PM

Issued By: State Disaster Admin	**Designation:** GOV Analyst
System Status: ACTIVE EMERGENCY PROTOCOL	**Region Identifier:** GCC-TN-CH-426

1. Executive Incident Summary

This command brief provides an automated diagnostic overview of the Chennai disaster management matrix. A total of **426** areas are currently monitored under the Risk Assessment Engine. There are currently **2** active alerts broadcasted city-wide. The Central Emergency SOS Queue reports **2** pending rescue requests, **0** actively assigned NGO operations, and **0** completed rescues.

Risk Classification Profile	Emergency SOS Queue Summary
- Critical Risk Zones: **0** areas - High Risk Zones: **247** areas - Medium Risk Zones: **147** areas - Low Risk Zones: **32** areas	- Pending SOS Queue: **2** requests - Ongoing Operations: **0** missions - Resolved Requests: **0** rescues - Active NGO Teams: **0** teams

2. Critical Sector Risk Mapping

The following sectors have been flagged as having Critical or High risk factors based on elevation, precipitation, and active citizen incidents:

Sector Name	Zone	Risk Level	Risk Score	Rain (mm/h)	Population
Velachery Main Sector	Adyar	**High**	0.5827	0.0	26,407
Velachery Sector A	Adyar	**High**	0.6489	32.3	25,343
Velachery Sector B	Adyar	**High**	0.6190	30.6	36,849
Velachery Sector C	Adyar	**High**	0.5892	32.2	21,133
Velachery Sector D	Adyar	**High**	0.6451	48.6	21,674
Velachery Sector E	Adyar	**High**	0.6323	33.9	30,766

3. Emergency Resource Directives & Planning

Based on population demographics, water body proximity, and current water stagnation rates, the AI Planning Engine recommends the following allocations for the monitored sectors:

Resource Category	Recommended Reserve Allocation	Priority Deployment Area
Rescue Boats (Inflatable)	247 Units	Velachery, Pallikaranai, Saidapet
Emergency Rations / Water	160,784 Kits	City-wide critical zones
First-Aid & Trauma Kits	80,329 Kits	Nearest relief centers
Disaster Response Volunteers	1976 Personnel	NGO deployment centers
